**RELIABLE COMPANION UP TO 4 YEARS**

/

**MAXIMUM MOBILITY IN YOUR DAILY LIFE**

## SWIVELLING FRONT WHEELS

The Rapid 4 pushchair is the ideal companion for your mobile day-to-day life. The suspension as well as the swivelling and lockable front wheels swivel promise a bump-free journey on streets.

## MADE FOR CITY LIFE WITH CHILD

Thanks to its lightness and maneuverability, the Rapid 4 can be easily pushed around town with one hand. Narrow corridors, tight curves and other obstacles of the city life have no chance.

## MADE FOR CITY LIFE

## LARGE BASKET FOR EXTRA SPACE

The city pushchair comes with an easily accessible storage basket that neatly store things up to 3 kg. The extra-large basket with stable edges offers space for toys, baby things, and purchases.

## STABLE AND LONG-LASTING COMPANION

The Rapid 4 can be used for a long time. Together with the seat and basket, it takes up to 25 kg (22 kg child + 3 kg shopping basket), offering your child comfortable and safe trips up to 4 years.

### STABLE & LONG-LASTING

## COMFORTABLE AND SPACIOUS SEAT

Comfy from head to toe. The soft seat offers space and freedom of movement for bigger children, too. The padded 5-point harness helps keep your child safe without disturbing.

## ADJUSTABLE BACKREST WITH LIE-FLAT POSITION

The backrest can be inclined from an upright seating position to a lie-flat one, offering your child comfort in all situations. The padded footrest can be easily adjusted into a horizontal position.

### EASY HANDLING INDIVIDUALLY ADJUSTABLE

EASY HANDLING  
EASY FOLDING

## ONE-HANDED FOLDING WITHIN SECONDS

The Rapid 4 is a light pushchair that folds away one-handedly by the Press & Pull system on the release loop. Thanks to its compact folding size, it takes up almost no space on travels or at home.

## EASY TO TRANSPORT THANKS TO INCLUDED CARRY HANDLE

Folded up, the Rapid 4 can be easily transported by the release loop that doubles up as carry handle. Your other hand remains free for your child or purchases.

## HEIGHT-ADJUSTABLE HANDLEBAR

The push handle can be adjusted up to 30 cm in height, allowing parents, grandparents, or even younger siblings to comfortably steer the Rapid 4 city pushchair around town.

## The ideal pushchair for an urban family life

The Rapid 4 is the ideal companion for your mobile day-to-day life. The front wheels swivel at 360° and promise a bump-free journey on streets, easily mastering sudden changes of direction. Also, they can be blocked providing a comfortable drive on country and forest paths.

The Rapid 4 is simply made for urban life with child. Thanks to its lightness and maneuverability, the Rapid 4 can be easily pushed around town, easily mastering narrow corridors and tight curves. The extra-large basket can be used up to 3 kg and offers space for toys and purchases. Also, the handlebar can be adjusted up to 30 cm in height, allowing adults of different heights to drive the pushchair in a back-friendly way.

Compared to other city pushchairs, the Rapid 4 can be used much longer, offering your child a comfortable and safe ride up to 4 years. The soft seat comes with a backrest that can be inclined without steps up to a lying position. The padded footrest can also be easily adjusted to a horizontal position, ideal for your child's naps.

Thanks to the one-hand folding mechanism, you will profit from maximum mobility on the bus, on train, or on trips away from home. The Rapid 4 folds up within seconds, while the soft release loop doubles up as carry handle. This way, you can easily carry the compact pushchair and have one free hand for your little explorer at the same time.
