### SUITABLE FOR THE TOWN OR FOREST

With the Uptown, you can leave the city behind: the puncture-resistant rubber wheels with all-wheel suspension and the lockable front wheels will also take you over rough terrain safe and sound.

## HIGH-QUALITY WORKMANSHIP IN A STRONG DESIGN

Do you attach great importance to quality? The Uptown convinces with its lightweight aluminium frame, the adjustable front bar made of perforated leatherette, and the height-adjustable push handle.

## ALWAYS COMFORTABLE UPRIGHT OR RECLINED

## SITTING OR LYING DOWN

Does your child want to take a nap? Make things comfortable for them and simply bring the leg supports into the lie-flat position! The best thing about it: children's feet are really secure on the anti-slip surface.

## FUN JOURNEYS IN ANY WEATHER

Bright sunshine or bad weather? The generous 3-zone canopy protects your precious one from the wind and sun (UV protection 50+). Thanks to the large viewing window, though, you can still keep an eye on your child!
