ALWAYS COSY

FOR KIDS FROM BIRTH UP TO 22 KG

FOR BIG KIDS TOO

Is your child on the big side? In the soft seat with extra-long backrest, kids up to 22 kg ride comfortably, whether upright or in a lying position. The folding bar makes getting in super easy.

PROTECTED FROM THE SUN

Is the sun too bright? The generous sun canopy, with folding visor, will protect your little darling (UV protection 50+). You can even extend the canopy with the zip.

PERFECT VENTILATION

PERFECTLY VENTILATED

When it gets warmer again... The large ventilation window ensures air circulation, and, with the canopy folded out, there are more ventilation nets. The fabric in the Runner 3 is also breathable.

WITH LOCKABLE BASKET

Taking the baby things with you? Everything fits in the large, lockable basket – and nothing falls out. Keep your mobile phone and keys handy in the zip pocket on the canopy.

SIMPLE & COMPACT
FOLDING

FOLDS UP EASILY

In the mood for a trip with the pushchair? You can easily fold up the Runner 3. If necessary, you can remove the rear wheels in no time. This makes it even easier to transport the pushchair.
