A practical pram for two

Twins, siblings and friends

For a toddler and a baby or for twins from six months - the Duett 2 is a tandem pushchair for twins, siblings and friends. Two children up to 15 kg are super comfortable. Your baby will feel right at home in the soft carrycot. The leg cover and canopies provide comfort.

Always comfortable

Once your baby sits, the carrycot becomes a seat. You can change the viewing direction at will. Your children can look ahead or spend time together. Time for a nap? The main seat has a reclining position and the backrest of the second seat tilts slightly. Or for only one child, simply remove the lower seat.

Easy to push

With puncture-resistant wheels, swivelling and lockable front wheels, a weight of 16 kg and an articulated handle with seven positions (94 cm to 111 cm), the Duett 2 is very easy to push. Toys, changing bag, picnic? The large basket can carry 6kg.

Folds compactly

Fancy a day out? Because Duett 2 folds up small and compact (96 cm x 66 cm x 45 cm). It fits in almost any car and takes up very little space at home.
