MORE MOBILITY FOR URBAN LIFESTYLE

BIKE TRAILER & BUGGY IN ONE

The compact all-rounder has a smart 2-in-1 design. No matter if buggy or bike trailer, it unifies safety and comfort for your children, as well as easy handling for yourself.

ROOM FOR 2 KIDS

In the Dryk Duo, your children will have a safe and comfy ride to the kindergarten or during your weekend trip away from home. It offers room for two children up to a body weight of 22 kg each.

SLIM DESIGN FOR YOUR DAILY LIFE

At only 79 cm in width, the Dryk Duo adapts perfectly to an urban lifestyle. It easily fits through your home's door, on the cycle path, through the shop's shelves, as well as in any traditional lift.

ONE-HANDED FOLDING FOR EASY STORAGE

The Dryk Duo folds away compactly with one hand. This way, you can stow it away easily whenever you don't need it.

FAST FOLDING FOR SPACE SAVING TRANSPORT

EASY CONVERSION

FROM BIKE TRAILER TO BUGGY

EASY CONVERSION IN ONLY 3 STEPS

The grey functions buttons make the conversion process from buggy to bike trailer and reverse clear and simple – even when alone or out and about.

EASY FIXATION AND REMOVAL FROM BIKE

The Dryk Duo is very easy to install to your bike. The drawbar has its own storage bag. It can be coupled easily and securely to the bike trailer and your bike thanks to the double safety system.

HIGH-QUALITY WHEELS FOR MORE DRIVING COMFORT

The Dryk Duo comes with a smart combination of a lockable rubber wheel on the front and large air wheels on the back, offering you and your children a bump-free and stable ride.

SMART XL STORAGE SPACE

The XL storage compartment is easy to reach, can be safely closed with a zipper, and takes up to 6 kg. There are also inner pockets and additional bags for buggy wheel and drawbar.

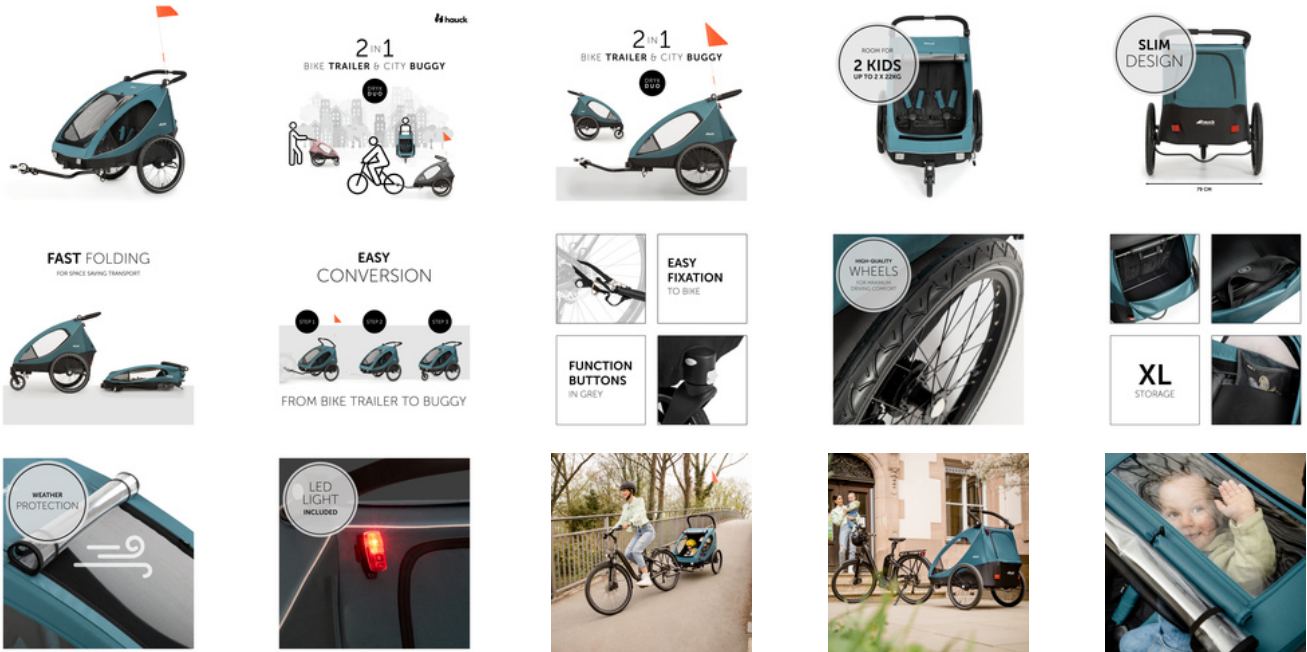

2-IN-1 CANOPY: WEATHER PROTECTION AND MOSQUITO NET

The canopy protects your children against the headwind or light drizzle. The mosquito net keeps away fastidious insects. With few steps, you can fix one or both layers with the straps on top.

The hauck Dryk Duo – price-performance favourite with sporty design

The Dryk Duo is a bike trailer and buggy with a small width suitable for urban lifestyles. It offers a safe and comfortable ride for your children, while you profit from its easy handling and one-handed folding system.

The spacious design of this comfortable two-seater offers room for children from 6 months up to 120 cm and 22 kg each. Thanks to the easy coupling and uncoupling from your bike, alongside the easy conversion, which in just 3 simple steps, you can switch between bike trailer and buggy mode.

The lockable rubber wheel on the front and the air wheels on the back offer a high level of driving comfort as well as a smooth bump-free ride. The large 2-in-1 canopy can be opened by rolling it up, additionally the 2-in-1 side windows offer optimal air circulation. Thanks to the large viewing window on the top you can always keep an eye on your precious cargo.

With a load capacity of 6 kg, the Dryk Duo has a large storage space that is easy to reach and easy to close. The buggy wheel and the drawbar can be kept in the two included bags to protect the bike trailer's fabrics, and then they are easily accessible for when you want to change mode. The push handle can be adjusted with ease.

Thanks to the comprehensive safety package, your children will travel safely at all times. Four reflectors, an LED light, reflector lines on wheels and cover, as well as the safety pennant ensure maximum visibility of the trailer. The easy-to-use 5-point harnesses and the parking brake complete the safety features.
