SAFE TRAVELLING ON SUNNY DAYS

The sunshade is the ideal add-on for your Dryk Duo. Rated UPF 50+, it protects your children against direct sun rays and prevents heat build-up in the inner cabin, offering shade at the same time.

EASY TO INSTALL AT ANY MOMENT

The sun cover can be installed in two easy steps: begin by pulling the cords over the bike trailer's handlebar and finish by tightening them over the reflectors located under the trailer's entry.

INDIVIDUALLY ADJUSTABLE IN HEIGHT

INDIVIDUALLY ADJUSTABLE IN HEIGHT

By means of two cord locks, you can adjust the sun protection to any height. Whether in bike trailer or pushchair mode, the Dryk Duo sunshade is never in the way and adapts to your personal needs.

BIKE TRAILER SUNSHADE

ADJUSTABLE IN HEIGHT

SUNSHADE FOR THE DRYK DUO BIKE TRAILER MODE

The Dryk Duo is your flexible companion as pushchair or bike trailer, on walks or on bicycle rides. No matter how you will be spending your day, a simple, effective sun protection is a must, making the bike trailer sunshade the ideal accompaniment to sunny days.

The sun cover is rated UPF 50+ and offers reliable shade, allowing your children to feel cool while being protected from direct sun rays.

The sunshade can be installed in two easy steps. First, the integrated cords are pulled over the bike trailer's handlebar, then tightened over the two reflectors located under the trailer's entry, allowing for maximum flexibility when you are out and about.

By means of two cord locks, you can adjust the sun protection to any height to keep the sun out of the cabin from any angle. Whether you are using the Dryk Duo in bike trailer or pushchair mode, the sunshade is never in the way: thanks to the up and down slide function, your children can easily enter and exit the bike trailer.
