## SAFE SLEEPING

This travel cot features an anti-reflux position that helps ease baby to a better sleep when suffering from either a cold, or reflux.

ANTI-REFLUX POSITION

## HEIGHT-ADJUSTABLE

Thanks to the height being adjustable in 5 positions, the Face to Me is easy to adapt to your bed, no matter if it is a low bed or a high divan bed.

## SIMPLY CUDDLY

In this cuddly co-sleeper, your baby will feel safe and sound from the very beginning. Thanks to the breathable mattress, soft plush border and mesh window, the cot offers the highest level of comfort to your little one.

### LOWERABLE SIDE

In this bedside crib, baby will benefit from being right beside you, which helps baby to feel comforted by your scent and the relaxed sound of your breathing improves babies sleep.

### FOLDABLE

When you don't need the bedside crib or if you want to transport it to grandma and grandpa, you can easily fold it flat and store it away.

### The snuggly bedside cot

Our Face to Me 2 features an anti-reflux position that helps ease baby to a better sleep when suffering from either a cold, or reflux. In this bedside crib, baby will benefit from being right beside you, which helps baby to feel comforted by your scent and the relaxed sound of your breathing improves babies sleep.

Thanks to the height being adjustable in 5 positions, the Face to Me is easy to adapt to your bed, no matter if it is a low bed or a high divan bed. Afterwards, you can fix the bedside crib to your own bed easily with just two belts to ensure that it cannot slide away during the night.

During the day, you can use the Face to Me 2 as a bassinet by closing the side part. Thanks to the mesh fabric, your baby can see you and profit from good air circulation at the same time. In addition, comfortable materials, a breathable mattress and the soft plush border make your little one feel safe at all times.

When you don't need the bedside crib or if you want to transport it to grandma and grandpa, you can easily fold it flat and store it away.
