Isofix base for the hauck Drive N Care infant car seat

Perfect compatibility

With the Drive N Care Isofix base station, you're fully equipped – it fits exclusively with your hauck Drive N Care infant car seat. Please note that it is not compatible with other car seats.

Maximum safety

Your newborn is in the best of hands! The base station has been carefully tested according to the European safety standard i-Size UN ECE R129-03, providing reliable protection on every journey.

Easy to install

Installation is a breeze: quickly and securely attach the base to your car's Isofix anchor points. With the handy green/red indicators, you can always check the setup. Once the Isofix base is in place, simply click the hauck Drive N Care infant car seat onto it – perfect when you need to be quick!

Ideal for on the go

Whether you're switching between two cars or complementing the hauck Shop N Care Trio Set or Shop N Care Travel Set, this base station is the ideal accessory for your car and pram, designed for your dynamic lifestyle.
