

WATCH ME 1  
BACK SEAT MIRROR

- Mirror for back seat
- For all rear-facing car seats
- Large field of vision
- Easy installation and fixation
- Attachment to all head-rests

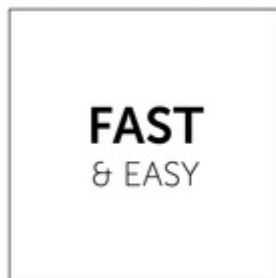

## FOR REAR FACING CAR SEATS

Thanks to the Watch Me 1 mirror that is installed on the backrest of the back seat, you can always have an eye on your child. This way, you won't need to turn your head which makes your driving safer.

**EXACT**  
ALIGNMENT

## EASY FIXATION ON **ALL HEADRESTS**

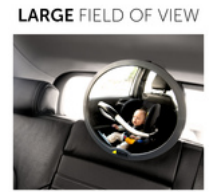

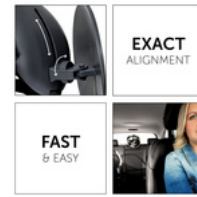

## EASY TO INSTALL

The mirror can be mounted safely and tightly to any headrest with 4 straps and adjusted both horizontally and vertically just as you prefer. The large sight field ensures a free line of sight and the high-quality and break-proof material reduces the risk of injury.

### **Always keep an eye on your child**

With this practical rear seat mirror, you can keep an eye on your child while driving without needing to turn around. A quick glance in the rear-view mirror is enough to ensure your little one is safe and comfortable, making journeys more relaxed and secure for everyone.

### **Safe and easy installation**

The mirror attaches securely to any headrest with four straps and can be adjusted both horizontally and vertically. This allows you to find the perfect angle for optimal visibility.

### **Clear view and high safety**

The large viewing field provides a clear view, while the high-quality, shatterproof material minimises the risk of injury – ensuring a worry-free ride for you and your child.
