2-IN-1 BOUNCER AND HIGHCHAIR MODULE

The Alpha Bouncer 2-in-1 can be used either as bouncer on the included frame or as newborn module for the Alpha+ wooden highchair, allowing your baby to be at eye level with you right from birth.

HIGHCHAIR MODULE FOR NEWBORN BABYS

The bouncer easily slides on the highchair and is ready for use within seconds, making your little one feel safe at the heart of the family.

DIFFERENT ALPHA BOUNCERS AVAILABLE

The hauck Alpha Bouncer is available in many different designs. Some of them have an adjustable backrest or come with an integrated toy bar.

SOFT CUSHION AND PADDING FOR NEWBORNS

Thanks to the soft fabrics, the side padding and the removable cushion, the Alpha Bouncer offers a safe and ergonomic lying surface – both as bouncer and as highchair module.

SAFE & ERGONOMIC LYING SURFACE

COMFORTABLE FOR PARENTS

By having your baby right next to you, it is much easier giving your little one the bottle whilst you sit at the table as a family – no need to constantly stand up and bend down.

SNUGGLY COVER

The soft cover of the Alpha Bouncer and its cushion make your baby feel comfy at all times. Also, the cover can be easily removed and washed.

ONE CLICK FROM BOUNCER TO HIGHCHAIR

The bouncer can be removed from its frame and slid onto the side bars of the Alpha+ highchair with a simple click. By doing so, you can use the grow-along chair from day one.

ONE CLICK FROM HIGHCHAIR TO BOUNCER

The bouncer safely clicks onto the included frame and is ready to use in the blink of an eye. By bouncing along your baby's natural movements, the Alpha Bouncer has a calming and relaxing effect.

2-IN-1 BABY BOUNCER AND NEWBORN MODULE FOR HAUCK WOODEN HIGHCHAIRS

The 2-in-1 Alpha Bouncer comes with two functions: it can be used either as bouncer on the included frame or as highchair module for newborns on the Alpha+ wooden highchair, allowing your baby to be at eye level and at the heart of the family from day one.

The bouncer easily slides onto the side bars of the tilt-proof highchair and can be used right away. As a result, your baby will be right next to you and at eye level, strengthening your bond and making feeding easier. The 3-point harness helps keep your little one safe.

Thanks to the soft cushion, the lateral padding and the removable cushion, the Alpha Bouncer offers a safe and ergonomic lying surface – both as bouncer and as highchair module. The soft fabrics make your baby feel comfy at all times. The cover can be easily removed and washed.

Changing from highchair to bouncer mode is very simple: the bouncer can be removed from the wooden highchair with one action and easily slides onto the included frame. By bouncing along your baby's natural movements, the Alpha Bouncer has a calming and relaxing effect.
