# HIGHCHAIR BOUNCER ECO

SUSTAINABLE 3-IN-1 WOODEN BOUNCER – RIGHT FROM BIRTH

## AT EYE LEVEL WITH THE FAMILY FROM BIRTH

## BOUNCER AND NEWBORN MODULE – FROM DAY ONE

Always need your baby with you? Thanks to the supplied adapter, you can also attach the sustainable wooden bouncer to your hauck Alpha+ or Beta+ highchair as a newborn module.

## GOOD FOR NATURE – MADE OF FSC®- CERTIFIED WOOD

Is sustainability important to you? It is to us, too. That's why we make the frame from high-quality, FSC®-certified wood. This guarantees ecological forest use and protects animals and plants.

## FROM BOUNCER TO SWING IN JUST THE FLICK OF A WRIST

Do you like to keep things simple? With just the flick of a wrist, you can switch the bouncer from bounce to swing mode. Or click it onto your highchair. One product – 3 possible uses!

## YOUR BABY BOUNCES NATURALLY BY THEMSELVES

Bouncing promotes development! Your baby trains balance and motor skills. They can bounce, swing and rest with the Highchair Bouncer Eco, taking up to 15 kg as a bouncer and up to 9 kg as a highchair attachment.

## CUDDLY AND ERGONOMIC AT THE SAME TIME

Your baby likes cuddly things? And you want them to be well supported when lying down? It's a perfect match, because the newborn insert with breathable cotton cover makes both possible – for maximum comfort.

## FROM SITTING TO LYING AND BACK AGAIN

Quick change of position? Put the Highchair Bouncer Eco's easily adjustable angle of inclination in the lying position when your baby is tired and half upright when they want to play.

**HEADREST FOR SUPPORT**  
AND MAXIMUM COMFORT

**HEADREST FOR SUPPORT AND**  
MAXIMUM COMFORT

A baby's head needs a lot of support. The Highchair Bouncer Eco has a headrest especially for this. This provides extra support for your little darling's head, and they are always perfectly protected.

**ADAPTER FOR THE ARKETA HIGHCHAIR**

Have you opted for a Arketa highchair? Great! With the separately available adapter for the Arketa, you can also use the Highchair Bouncer Eco as a newborn attachment.
