## HIGHCHAIR PAD

HIGH QUALITY SEAT PAD FOR HAUCK WOODEN HIGHCHAIRS

### SOFT SEAT CUSHION FOR HAUCK WOODEN HIGHCHAIRS

### SOFT SEAT CUSHION FOR HAUCK WOODEN HIGHCHAIRS

The Highchair Pad offers your child a high level of seating comfort on their hauck wooden highchair (e.g. Alpha+ or Beta+) or similar highchairs, as it cushions both the seat plate and the backrest.

### OEKO-TEX® STANDARD 100, MADE IN EUROPE

Made in Europe and tested according to Oeko-Tex® STANDARD 100, the highchair pad meets the highest requirements and gives your child a healthy start in life.

### BREATHABLE MUSLIN COVER FOR ALL SEASONS

### BREATHABLE MUSLIN COVER FOR ALL SEASONS

The breathable cotton structure of the muslin cover is particularly gentle on your child's skin and also suitable for warm days.

## COMFORT THANKS TO CLEVER DESIGN

The wide back cushion covers the entire back of the chair, allowing your child elevated seating comfort.

## **NON-SLIP** COATING

## SAFE THANKS TO ANTI-SLIP COATING

The seat cushion has a soft anti-slip coating on the underside that prevents it from slipping during fun and games, while ensures comfort at the same time.

## CUSTOMISABLE THANKS TO REMOVABLE BOWS

The ribbons make the design especially pretty and cute. Whether for boys or girls - if you prefer a more neutral look, you can simply remove the ribbons.

**EASY INSTALLATION**  
WITH PRESS STUDS

**QUICK AND EASY TO FASTEN WITH PRESS STUDS**

You can quickly and easily attach the seat cushion to the wooden highchair by means of the press studs.

**WASHABLE AT 30 DEGREES IN THE WASHING MACHINE**

If something is spilled during mealtime, you can simply remove the cushion from the highchair and wash it at 30 degrees in the washing machine.

**FLEXIBLE USE**  
WITH ACCESSORIES

**FLEXIBLE USE DUE TO COMPATIBILITY WITH ACCESSORIES**

The highchair pad is flexible to use because it is compatible with various accessories, such as the harness system or the dining table of the Alpha+ wooden highchair.

**Highchair Pad - High quality seat pad for hauck wooden highchairs**

**Soft seat reducer for all seasons, OEKO-TEX® STANDARD 100, made in Europe**

The Highchair Pad offers your child a high level of seating comfort on their hauck wooden highchair (e.g. Alpha+ or Beta+) or similar highchairs, as it cushions both the seat plate and the backrest. Made in Europe and tested according to Oeko-Tex® STANDARD 100 (22.HDE.63838), the highchair pad meets the highest requirements and gives your child a healthy start in life. The breathable cotton structure of the muslin cover is particularly gentle on your child's skin and also suitable for warm days.

**Comfortable and safe thanks to the anti-slip coating and individually designed for every family**

The wide back cushion covers the entire back of the chair, so your child can sit comfortably in the highchair. The seat cushion has a soft anti-slip coating on the underside. This prevents it from slipping during eating and playing and ensures comfort at all times. The ribbons make the design especially pretty and cute. Whether for boy or girl - if you prefer a more neutral look, you can simply take the ribbons off.

**Universal and flexible for easy handling in everyday family life**

You can easily install the cushion to the wooden highchair by means of the press studs. If something is spilled during mealtime, you can simply remove the cushion from the highchair and wash it at 30 degrees in the washing machine. The highchair pad is flexible to use because it is compatible with various accessories, such as the harness system or the dining table of the Alpha+ wooden highchair.
