### **Breathable seat liner in a magical Disney design**

Are you a fan of Disney children's classics? The pushchair seat liner in a great Disney design will add an extra good mood on your adventures!

One fits all: thanks to the seven belt slots, the cushion can be used in almost all prams, pushchairs and bike trailers. Just as flexible as you are – a real all-rounder.

### **Increased seating comfort all year round**

Whether it's steamy hot or crispy cold: the breathable overlay made of high-quality cotton jersey regulates moisture. It's suitable for all seasons and prevents heat build-up and sweating.

Bumpy ground, sidewalks, stairs – the soft padding ensures that your child is always comfortable on your adventures. The pleasant surface is gentle on children's sensitive skin.

### **Protects the pram from getting dirty**

Crumbs, stains or sand? The removable protective cover protects your pushchair or bike trailer from dirt. Have you been using the cover every day, or perhaps had a little accident? Simply remove it and wash it.
