BABY BATHTUB FOR INDOOR AND OUTDOOR

At home or out and about, in a hotel room or while camping, the baby tub inclusive stoll is a practical companion that can be placed in most showers thanks to its size of 78 x 56 x 44 cm.

LARGE VOLUME AND WATER-SAVING AT THE SAME TIME

The baby bathtub takes up to 90 l water and a maximum weight of 40 kg, offering your baby enough room whilst you can save water compared to using a regular tub.

PROTECTION THROUGH SOFT MATERIALS

Thanks to the soft and rounded edges, your child's head can lean against the tub more comfortably and in a safer manner compared to a regular tub.

STABLE STAND AND STOOL

Thanks to the fold-out feet, the baby bath stands firmly and reliably on a straight, stable surface. Thanks to the suction cups, the stool also remains firmly attached in the tub.

STABLE STAND AND NON-SLIP STOOL

Wash N Fold L - Space-saving, modern baby bathtub with stool

You would like a baby bathtub for at home and on travels that helps you save water? Be it indoor or outdoor, at home or on trips away from home - the Wash N Fold L bathtub is a pratical and long-lasting companion. The baby bath measures 78 x 56 x 44 cm and can be placed in showers and tubs, in hotels, holiday apartment or used when camping. Thanks to the robust materials, your child can splash around up to 18 kg or up to approximately 5 years. Also, the Wash N Fold L can be combined with the separately available accessory hauck Bathtub Baby Inlay.

Water saving for you and safe, comfortable bathing for your baby

The foldable bathtub takes up to 90 l water and a maximum weight of 40 kg, allowing your baby to have enough room whilst you can save some water compared to using a regular tub. The soft and rounded help keep your child safe, while the fold-out feed offer a stable position on even ground. And to keep your baby at a comfortable temperature around 36 degrees, the plug turns white when the water gets too hot, giving you an approximate information.

Easy assembly, flat folding and cleaning for everyday life

To assemble, fold out both feet and press down the bottom. When your child is done bathing, you can quickly drain the water by means of the plug. To fold the empty bathtub, turn it upside down, press down the base and fold in the feet. At a folding size of 78 x 56 x 17 cm, the baby tub can be stored in a cupboard, on a shelf or under the bed - ideal for small rented flats or when travelling.
