FOR DOING PUZZLES AND GRASPING

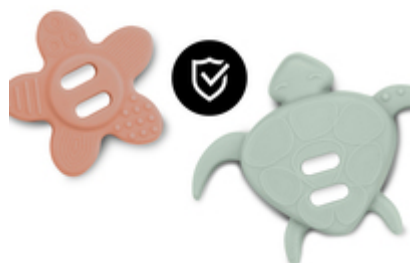

/

PERFECT FOR THE HIGHCHAIR

FOR BITING:

MADE FROM FOOD-SAFE SILICONE

MADE FROM FOOD-SAFE SILICONE

So cute: the flower and turtle of the Play Puzzling S look sweet and are made of food-safe silicone. So they can wander into your baby's mouth.

FOR DOING PUZZLES AND GRASPING

Is your baby discovering the world? The cute and baby-friendly Play Puzzling puzzle pieces arouse their curiosity. And while doing a puzzle, your child trains their motor skills.

**FOR PUZZLING
AND GRABBING**

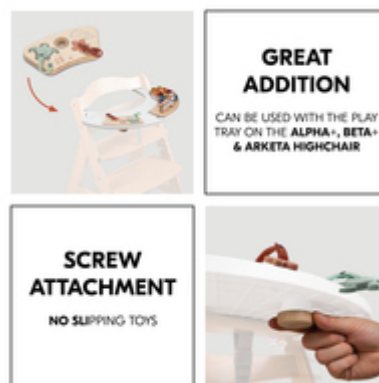

IT FEELS GOOD

Good for development: the structured surfaces of the soft silicone train your baby's sense of touch. For those first feelings of success.

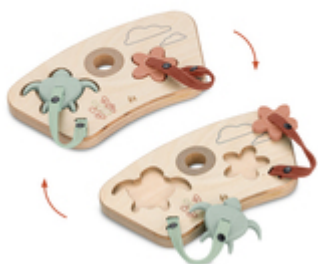

PERFECT FOR THE HIGHCHAIR

Fixed to the highchair, with no loose parts: with the Play Puzzling S, you can snap the pieces onto the puzzle. You screw the game to the Play Tray of your Alpha+, Beta+ or Arketa highchair.

ALSO INDIVIDUALLY

USABLE WITHOUT THE PLAY TRAY

WITH OR WITHOUT A PLAY TRAY

Whether in the highchair or on the floor: the Play Puzzling S also works without a hauck Play Tray. And you can take the silicone parts with you wherever you go.

GOOD FOR YOUR CHILD – AND FOR NATURE

Do you only want the best for your child? The silicone is free of harmful substances, without PVC and plasticisers. The game itself is made of sustainable, FSC®-certified wood. You can count on that!

**EASY
TO CLEAN**

VERY EASY TO CLEAN

Did your baby have the puzzle pieces in their mouth? Or did they throw them down? Then just boil them. You can also rinse them or steam them – and sterilise them in the vaporiser.

UP TO THREE TOY ATTACHMENTS CAN BE COMBINED

Variety guaranteed: the Play Tray can be used with up to three hauck toy attachments. You can easily switch them so that your child can train different skills at the same time.

**UP TO THREE
ATTACHMENTS CAN BE COMBINED**
