SHAPE SORTER PROMOTES THE
HAND-EYE COORDINATION

SHAPE SORTER PROMOTES
HAND-EYE COORDINATION

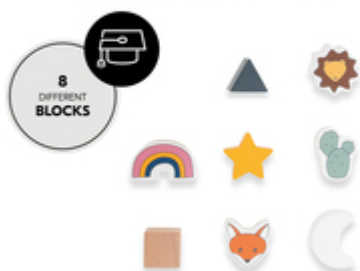

By playfully finding out which shape fits into which opening, your child trains the coordination between visual perception and fine motor skills.

SUSTAINABLE TOY MADE OF FSC®-
CERTIFIED WOOD

The toy is made of wood that derives from FSC®-certified forests and is therefore fun to play with for a long time. This ensures a sustainable and ecological forestry that protects plants and animals.

RECOGNISE AND NAME SHAPES
AND COLOURS

The shape sorter house contains 8 different blocks. By matching them, your child will get a better feeling for shapes and colours.

BLOCKS CAN BE STACKED ON TOP OF EACH OTHER

For more variety, your child can also stack the individual blocks on top of each other.

BLOCKS CAN ALSO BE STACKED

BLOCKS CAN BE EASILY REMOVED FROM THE CUBE

Once your child has successfully matched all the blocks, they can open the roof of the house and take the colourful blocks out again.

EASY STORAGE AND READY FOR USE AT ANY TIME

For storage, your child can open the roof again and store all elements inside. This way, everything is neatly stored and quickly ready for use again.

EASY TO CARRY
THANKS TO PRACTICAL HANDLE

EASY TO CARRY THANKS TO PRACTICAL HANDLE

With the roof removed, your child can carry the house by the practical handle and take it anywhere.

FUN FOR YOUR CHILD FROM THE AGE OF 1

The shape sorter is suitable for your child from 12 months onward. The high-quality workmanship ensures lots of fun and joy for a long time.

Sort N Build - Wooden shape sorter promotes fine motor skills

Playful learning of hand-eye coordination

The shape sorter cube contains 8 different blocks. By playfully finding out which shape fits into which opening or by stacking the blocks, your child trains the coordination between visual perception and fine motor skills. Your child will also get a better feeling for shapes and colours. Once your child has successfully matched all the blocks, they can open the roof of the house and take the colourful blocks out again.

Sustainable toy made of FSC®-certified wood

The interactive toy is made of wood that derives from FSC®-certified forests and is therefore fun to play with for a long time. We value sustainable and ecological forest use that protects plants and animals. The high-quality workmanship ensures lots of fun and joy for a long time.

Easy to carry, to store and ready to use at any time

With the roof removed, your child can carry the house by the practical handle and take it anywhere. For storage, your child can open the roof and store all elements inside, having everything neatly stored and quickly ready for use again. The wooden sorting toy is suitable for children from 12 months onward.
