STACKING TOY PROMOTES
HAND-EYE COORDINATION

SHAPE SORTER PROMOTES
HAND-EYE COORDINATION

By playfully finding out which shape fits into which opening, your child trains the coordination between visual perception and fine motor skills.

SUSTAINABLE TOY MADE OF FSC®-CERTIFIED WOOD

The toy is made of wood that derives from FSC®-certified forests and is therefore fun to play with for a long time. This ensures a sustainable and ecological forestry that protects plants and animals.

GREAT FUN THANKS TO
MULTIFUNCTIONAL TOY

Your child can stack the cubes or place them next to each other and sort the animal bricks into the appropriate opening.

DIFFERENT MOTIFS OFFER VARIETY

Your child will learn the difference between awake and sleeping animals and practise counting as there are different numbers of animals on each cube.

DIFFERENT MOTIFS **OFFER VARIETY**

EASY TO STORE THANKS TO STACKING DESIGN

The stacking principle is practical both for playing and for tidying up. To save space, simply stack the cubes upside down and store the animals inside.

FUN FOR YOUR CHILD FROM THE AGE OF 1

The stacking toy is suitable for your child from the age of 12 months and the high-quality workmanship ensures lots of fun and stacking pleasure for a long time.

Stack N Raise - Wooden stacking toy promotes fine motor skills and counting

Playful learning of hand-eye coordination

Your child can stack the cubes or place them next to each other and sort the animal bricks into the appropriate opening. By playfully finding out which shape fits into which opening, your child trains the coordination between visual perception and fine motor skills. Your child will learn the difference between awake and sleeping animals and practise counting as there are different numbers of animals on each cube.

Sustainable toy made of FSC®-certified wood

The interactive toy is made of wood that derives from FSC®-certified forests and is therefore fun to play with for a long time. We value sustainable and ecological forest use that protects plants and animals.

Stacking toy for 1 year olds

The stacking principle is practical both for playing and for tidying up. To save space, simply stack the cubes upside down and store the animals inside. The stacking game is suitable from 12 months onward and the high-quality workmanship ensures lots of fun and stacking pleasure for a long time, making it a perfect gift for family and friends.
