

IDEAL FOR CREATIVE ROLE PLAY

Your child can become creative and take up the role of a craftsman or craftswoman. In the process, your child trains sorting, counting and social skills in a playful way.

CREATIVE ROLE-PLAY PLAYFUL SORTING & COUNTING

EASY TO CARRY THANKS TO PRACTICAL HANDLE

Thanks to the practical handle, your child can easily lift the tool box and take it everywhere.

FUN FOR CHILDREN FROM 2 YEARS ONWARD

The tool box is suitable from 24 months onward. Thanks to the high quality workmanship, the tool box allows lots of fun for a long time.

Playful training of the hand-eye coordination

The tool box comes with various tools such as gears, nuts and bolts as well as spanners and screwdrivers that your child can grasp, turn around and stick into the box, training their motor skills as well as hand-eye coordination. Thanks to the practical handle, your child can easily lift the tool box and take it everywhere.

Sustainable toy made of FSC®-certified wood

The game is made of wood that comes from FSC®-certified forests and is fun to play with for a long time. We value sustainable and ecological forest use that protects plants and animals. Thanks to the high quality workmanship, the tool box allows lots of fun from 24 months onward.

Ideal for creative role-playing

Your child can become creative and take up the role of a craftsman or craftswoman. In the process, your child trains sorting, counting and social skills in a playful way.
