MODERN PUSHCHAIR WITH HIGH-END DESIGN

The look of the Rapid 4D Air is defined by its modern lines. The curved frame and the high-quality fabrics of the XL canopy make of this pushchair an eye-catcher.

REAR AIR WHEELS FOR HIGH DRIVING COMFORT

The large rear wheels, swivelling front wheels, and the comfortable suspension promise a bump-free ride on any terrain, making your toddler feel safe and comfy during all your walks.

EASY FOLDING

COMPACT ONE-HAND FOLDING WITHIN SECONDS

The Rapid 4D Air is a light pushchair that folds away compactly with one hand. As a result, you can easily transport and stow away this all-rounder, while having one free hand for your child.

HIGH-QUALITY EQUIPMENT AND FUNCTIONS

The pushchair's seat is made of high-quality fabrics. Also, the backrest can be continuously inclined up to a lying position, making your little explorer feel comfy during any time of the day.

HIGH-QUALITY FABRICS AND FUNCTIONS

XL CANOPY RATED UPF 50+

The extendable 3-zone canopy, rated UPF 50+, promises your child sun protection and shade. The peek-a-boo window made of mesh offers optimal air circulation and strengthens the parent-child bond.

HEIGHT-ADJUSTABLE HANDLEBAR

The push handle can be adjusted in height, allowing a back-friendly drive for parents with different heights. The included cup holder completes the design.

DURABLE COMPANION
FOR YEARS

**DURABLE COMPANION FOR YEARS
AND UP TO 25 KG**

In combination with the seat and the basket, the Rapid 4D offers your child a comfortable ride up to 22 kg or 4 years, and the shopping basket can be loaded up to 3 kg.

EASY-TO-CLEAN MATERIALS

The footrest's fabric and the safety bar's surface are made of durable and easy-care materials, making your Rapid 4D Air look well-maintained in no time despite muddy shoes and sticky hands.

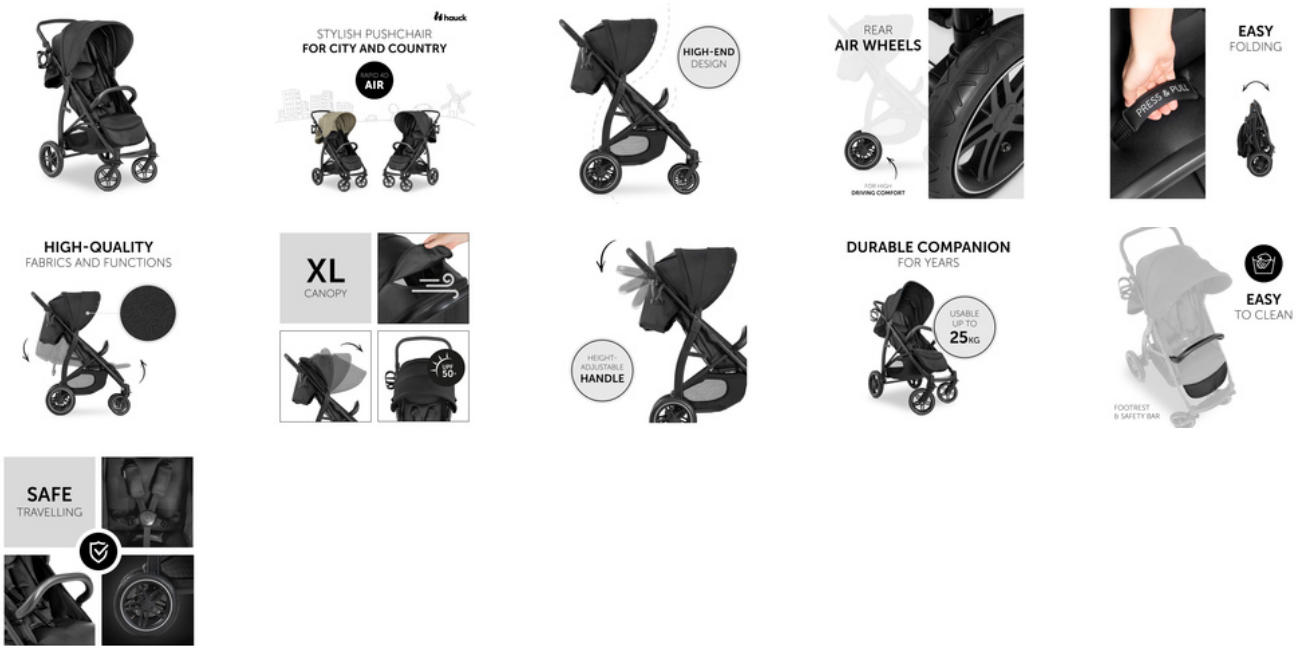

SAFE TRIPS

The Rapid 4D includes a padded 5-point harness, a removable bumper bar that facilitates your child's entry and exit and white lines on the wheels that provide more visibility when it gets dark.

STYLISH PUSHCHAIR FOR CITY AND COUNTRY

The Rapid 4D Air is a very stylish companion that comes with high-quality functions, as well as a modern, curved frame. As an all-round pushchair with large, all-terrain wheels that absorb bumps, it can be used both in the city and the country. The swivelling front wheels make changes of direction easy and can be locked on uneven terrain.

The Rapid 4D Air folds away compactly with one hand by using the “Press & Pull” system on the padded release loop, by which you can easily transport and stow away this all-rounder, while having one free hand for your child.

The pushchair stands out by the premium materials and features. High-quality, durable fabrics on the 3-zone canopy rated UPF 50+ and on the spacious seat make of the Rapid 4D Air an eye-catching pushchair. Also, the backrest can be continuously reclined up to a lying position.

Thanks to the height-adjustable handlebar with cup holder, parents of different height can also benefit from a comfortable, back-friendly walk.

Compared to other pushchairs, the Rapid 4D Air can be used longer. In combination with the seat and the basket, it offers your child a comfortable drive up to 22 kg or 4 years and accommodates up to 3 kg of shopping. The footrest's fabric and the safety bar's surface are made of durable and easy-care materials, making your Rapid 4D Air look well-maintained in no time despite muddy shoes and sticky hands.

The Rapid 4D Air comes with a safety package including a padded 5-point harness, a removable protection bar that facilitates your child's entry and exit, as well as white lines on the wheels that provide more visibility when it gets dark.
