PREMIUM CARRYCOT WITH MEMORY FUNCTION FOR THE WALK N CARE PUSHCHAIR

The high-quality design of the carrycot perfectly matches the Walk N Care pushchair. This separately available carrycot module offers your new-born baby a protected environment from day one. The light but stable carrycot is characterized by the premium quality of its materials and its spacious design. Modern and easy-care melange fabrics on the outside complement the design on the inside, offering your baby comfort and freedom of movement up to 9 kg.

Thanks to the buttons with memory function, the carrycot can be removed very easily from the pushchair frame. You simply need to push the buttons one after another and then you can take off the carrycot from the frame with one hand by the handle and comfortably carry your child into your home after your walks.

The premium design is complemented by the high-quality canopy with two XXL panorama windows that can be individually opened, offering optimal air circulation, and allowing your baby to discover the surroundings. The 3-zone canopy with sun visor, rated UPF 50+, and the matching cover round off the sophisticated design.

The carrycot is equipped with soft fabrics as well as a well-padded inlay, which protect the baby's little head. The additional circulation system provides a pleasant climate. The mattress is very comfortable and comes with a removable and washable cover.

The Walk N Care carrycot folds away flatly for an easy, space-saving storage and transport. Thanks to the integrated adapters, the carrycot can be installed with a simple click on the Walk N Care pushchair.
