Everyday stroller

Light, compact and manoeuvrable

On the bus or off to the park? With swivelling and lockable front wheels, the Sport stroller is easy to use anywhere.

Going somewhere in a hurry? Or leaving on holiday with a lot of luggage? The stroller folds up in a jiffy and is so compact, it hardly takes up any space – perfect for travelling or to leave with the grandparents as a spare.

Comfortable and safe

Whether sitting or lying down, your child will be comfortable in the Sport stroller with its easily adjustable backrest and footrest. The canopy protects them from wind and weather while you both enjoy the views. A 5-point harness ensures that they cannot climb or fall out and the brake means the stroller is always secure – even in a moving bus.
