## Product Images

With the help of these universal adapters, you can install different infant car seats with Maxi Cosi fixations as well as the hauck Drive N Care on the hauck pushchairs Vision X, Saturn R or Apollo.

First, you need to install the adapters on the pushchair frame and then the infant car seat. This results in a practical travel system that allows you to easily stroll through small streets and shops.

The hauck universal adapters are compatible with the current infant car seats of the following manufacturers:
