**LOTS OF SPACE FOR YOUR
CHILDREN AND LUGGAGE**

Your children will love getting in here! In the comfortable two-seater, both you and they will have even more space for all your things in the large storage compartment.

EVEN MORE COMFORTABLE TO PUSH

With its new brakes, the Dryk Duo Plus gives you even more leg space. The height-adjustable handlebar with 8 positions adapts to you, and the rubber swivel wheel also helps you make those tight turns.

FOLDABLE WITH ONE HAND FOR EASY TRANSPORT

TRANSPORTATION MADE EASY

The Dryk Duo Plus makes it easy for you! You can fold it up compactly – with just one hand. Transport lock and two pockets for the front wheel and drawbar guarantee extra comfort.

WITH RELIABLE 5-POINT HARNESS

Well-strapped-in: The Dryk Duo Plus is equipped with the tried-and-tested, height-adjustable 5-point harness system, which keeps even the liveliest children firmly in their seat and is easy to adjust.

WITH HEIGHT-ADJUSTABLE **5-POINT HARNESS**

PROTECTED IN WIND AND WEATHER

Don't let nature give you any nasty surprises: the 2-in-1 weather protection keeps light rain and insects alike away from your children. For pure outdoor fun.

SUITABLE FOR CYCLE PATH USE – & FITS FRONT DOORS

With the Dryk Duo Plus, you can easily get in and out of the house. And with a width of 79 cm, it's also a perfect fit for the bike path.

SLIM DESIGN

FITS ON BIKE PATHS & THROUGH THE FRONT DOOR

EVERYTHING UNDER CONTROL

In pushchair mode, you can always keep your speed under control with the accompanying wrist strap. And with the LED lights and the reflector strips, you'll stand out in the dark.

Bike trailer and pushchair in one

Quickly converted and coupled

Are you on the road a lot, and you need a bike trailer that easily transforms into a pushchair? And which you can quickly attach to your bike? Then the Dryk Duo Plus is perfect for you!

With rear suspension for a lot of comfort

On the curb, off the curb, over cobblestones – it doesn't matter! In the Dryk Duo Plus with rear suspension and pneumatic wheels on the rear axle, your children will sit comfortably even when the going gets bumpy.

Lots of space for children and luggage

Your children will love getting in here! The ergonomics of this comfortable two-seater are now even better, so they will have even more space for their feet. Our tried-and-tested, height-adjustable 5-point harness system keeps your child safely strapped in. And the large storage compartment holds everything you need to take with you.

Even easier to push

With its new brakes, the Dryk Duo Plus gives you even more leg space. The height-adjustable handlebar with 8 positions adapts to you, and the rubber swivel wheel also helps make tight turns easy. With the wrist strap, you always have control of your speed.

Transportation made easy

The Dryk Duo Plus makes it easy for you! You can fold it up compactly – with just one hand. Transport lock and two pockets for the front wheel and drawbar guarantee extra comfort.
