Sunshade for hauck Dryk Duo and Dryk Duo Plus bike trailers

Out and about a lot with your bike trailer? Whether you're out walking or cycling, reliable sun protection is a must. The sunshade for the Dryk Duo and Dryk Duo Plus is therefore the ideal addition on sunny days. It works in both pushchair and trailer mode.

Thanks to the UPF 50+ protection, the sunshade provides pleasant shade. Your children stay cool and protected from direct sunlight.

Quick and easy to attach

The sunshade can be attached at any time in just two simple steps. The integrated cords are first pulled over the handlebar and then stretched over the reflectors below the entry area. This means that the sunshade can be attached in no time at all.

You can adjust the sunshade at any time to follow the sun. It keeps your children well protected at any time of day. It's also helpful for getting in and out. When you don't need the sunshade for a bit, simply fold it up small and stow it in the storage section of the bike trailer.
