SUNSHADE FOR INFANT CAR SEAT, PRAM AND PUSHCHAIR

Sunshade for infant car seat, pram and pushchair

Pleasant shade with UPF 50+ protection

Your baby's skin and eyes are very sensitive and should always be in the shade. The hauck Sunshade protects your child really well with UPF 50+.

Fits infant car seat, pram and pushchair

One for all! Use the Sunshade anywhere, all the time. It fits your infant car seat, pram and pushchair (dimensions: 64 x 32/46 cm). You will get many years of use out of it.

Very easy to attach

The hauck Sunshade sunshade has an elasticated band and two cords. Hook it in, tie two knots and you're done!

The shade moves with you

Does your baby need protection from above now and from the side later? Your sunshade moves the shade with you. Flexible, it attaches wherever you need it.

Move it away – for a quick peek

Does your child want to see you? Simply push the hauck Sunshade to the side. When you're ready to roll again, you just move it back again!

Perfect for travelling when folded small

When you don't need the sunshade, simply fold it up very small. It fits in any pocket and you always have it to hand. Enjoy the sun responsibly!
