OPTIMAL FIT FOR HAUCK WALK N CARE PRAM

/

2IN1 RAINCOVER FOR CARRYCOT AND PUSHCHAIR

/

EASY HANDLING IN EVERYDAY LIFE

UNIVERSAL USE
FOR CARRYCOT AND SEAT UNIT

**UNIVERSAL USE FOR CARRYCOT
AND SEAT UNIT**

Thanks to the optimum fit for both the carrycot and the seat unit, you can use the rain cover from birth up to toddler age.

**OPTIMAL FIT THANKS TO ADJUSTABLE
DRAWSTRING**

Thanks to the adjustable drawstring, the rain cover perfectly fits the Walk N Care pram but can also be universally used for other prams, pushchairs, buggies and strollers.

OPTIMAL FIT FOR WALK N CARE
THANKS TO ADJUSTABLE DRAWSTRING

ROBUST AND DURABLE
MADE OF PEVA FILM

DURABLE AND SAFE TO HEALTH

The rain cover is made of robust and durable PEVA film and thus safe for your child's health.

IMPROVED VISIBILITY THANKS TO WATER AND SUN SHIELD

During changes between rain and sun, the visor offers improved visibility in addition to draining the water away faster along the PEVA film.

EASY ACCESS

THANKS TO OVERLAPPING WINDOW SIDES

EASY-TO-ACCESS AND CLOSABLE WINDOW

Thanks to the overlapping window sides, you can reach your child without opening the cover completely. The peek-a-boo window can be opened and closed quickly by means of press studs.

FOLDABLE AND EASY TO STORE AWAY

The rain cover folds up small to fit either in your shopping basket, changing bag or backpack, where it's right at hand in case it begins to rain again.

Walk N Care Raincover - Raincover for Walk N Care carrycot and pushchair

Durable rain cover for Walk N Care carrycot and pushchair seat

Thanks to the optimum fit for both the carrycot and the seat unit, you can use the rain cover from birth up to toddler age. The rain cover is made of robust and durable PEVA film and thus safe for your child's health. Thanks to the adjustable drawstring, the rain cover perfectly fits the Walk N Care pram but can also be universally used for other prams, pushchairs, buggies and strollers.

Easy to use in everyday life

During weather changes between rain and sun, the visor offers improved visibility in addition to draining the water away faster along the PEVA film. Thanks to the overlapping window sides, you can reach into the pram at any time without opening the cover completely. When needed, the peek-a-boo window can be opened and closed quickly by means of press studs.

Small folding size and easy storage

The rain cover folds up small to fit either in your shopping basket, changing bag or backpack, where it's right at hand in case it begins to rain again.
