XL BED GUARD FOR CHILDREN

SLEEP SAFELY – ANYWHERE, ALL THE TIME

Want to be sure your toddler sleeps safely and securely, whether in their own bed or with you? The bed guard is made for just that!

EXTRA LARGE - VERSATILE IN USE

The bed guard fits beds with a width of 75-140 cm, a length of 200-220 cm and a mattress height of up to 15 cm. The upper edge of the mattress should be max. 60 cm from the floor.

EASY TO ATTACH

Two straps included to securely fasten the bed guard under the mattress. This keeps it in place at all times.

WELL VENTILATED

Through the large mesh window you can always see your child. It also ensures good ventilation. This helps them sleep comfortably.

EASY TO STOW AWAY

No need for the bed guard right now? Want to take it along on holiday? You've got it! Simply fold it up and off you go.

XL bed guard for children

Sleep safely – anywhere, all the time

Want to be sure your toddler between 18 months and 5 years sleeps safely and securely, whether in their own bed or with you? The bed guard is made for just that!

The bed guard is versatile and fits beds with a width of 75-140 cm, a length of 200-220 cm and a mattress height of up to 15 cm. The top edge of the mattress should be a maximum of 60 cm from the floor.

Easy to use – good air circulation

Attaching the guard is really simple. Two straps securely fasten the safety rail under the mattress. This keeps it in place at all times.

Through the large mesh window you can always see your child. It also ensures good ventilation. This helps them sleep comfortably.

It folds up easily to put away when you don't need it. And it's compact to take along on holiday. Perfect, right?
