EXTENSION WOOD LOCK SAFETY GATE 21CM

21 CM EXTENSION FOR HAUCK SAFETY GATES

With this metal extension of 21 cm, the hauck safety gate Wood Lock, Wood Lock 2 and Stop N Safe 2, Silver can be rebuilt into a stair gate in the twinkling of an eye. The extension is easy to attach to the safety gate by means of a connector.

All hauck safety gates can be individually combined with one or two extensions of 21 cm and/or 9 cm - one on each side.

The following opening widths are possible:

- 84 - 89 cm = gate + 9 cm extension
- 93 - 98 cm = gate 9 cm extension + 9 cm extension
- 96 - 101 cm = gate + 21 cm extension
- 105 - 110 cm = gate + 9 cm extension + 21 cm extension
- 117 - 122 cm = gate + 21 cm extension + 21 cm extension

Do you have a stair railing with round or oval bars up to a diameter of 10 cm? Then you can use the separately available Y spindles next to the extensions to safely install your safety gate.
