EASY TO TRANSPORT

On roller wheels: You can slide the Sleep N Play Go Plus from one room to another or pull it behind you when folded. Save space by storing it in the accompanying carry bag.

FOR A PLEASANT SLEEPING ENVIRONMENT

Always well ventilated: the two large mesh inserts help air to circulate well. This creates a very pleasant sleeping environment for your child. And you can keep an eye on them at all times.

EXTRA-LARGE HATCH FOR LITTLE EXPLORERS

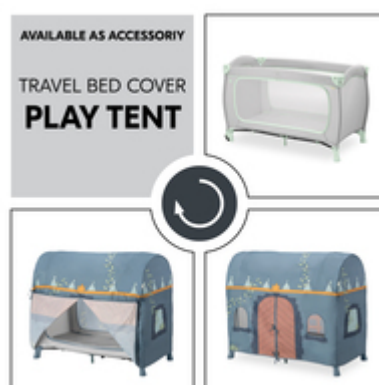

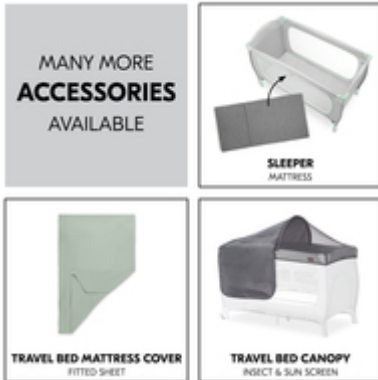

EXTRA-LARGE ACCESS HATCH FOR LITTLE EXPLORERS

The Sleep N Play Go Plus has a large escape hatch that you can open from outside. This makes it possible for your child to crawl out of bed on their own. And back again!

WITH THE TRAVEL BED COVER FOR THE PLAY TENT

Does your little one like to build dens? With one of the additional travel bed covers, you can transform the bed into a real play tent. The perfect addition to your Sleep N Play Go Plus.

LOTS OF OTHER ACCESSORIES

In addition to the bed, there are the Sleeper mattress, the Travel Bed Cover play tent, the Travel Bed Canopy insect & sun protection, the Travel Bed Mattress Cover and the Travel Bed Mobile.

Travel cot and playpen on wheels

Security for day and night

When you travel, everything is unfamiliar. The Sleep N Play Go Plus travel cot offers security in a timeless design for your little one (up to 15 kg) and is the perfect place to play on the go as a playpen.

Easy and quick to assemble and fold

Do you want a travel cot that is quick to assemble? The Sleep N Play Go Plus's special mechanism makes things easy for you. You can easily set it up and fold it away again.

On roller wheels: You can slide the Sleep N Play Go Plus from one room to another or pull it along behind you when folded. And the accompanying transport bag provides space-saving storage.

Lets the air through – and your child!

The two large mesh inserts allow good air circulation. This creates a pleasant sleeping environment for your child. And you can keep an eye on your child at all times.

Children want to explore everything up-close. The Sleep N Play Go Plus has a large access hatch that you can open from the outside. This makes it possible for your child to crawl out of bed on their own. And back in!

Many other accessories

In addition to the bed, there are the Sleeper mattress, the Travel Bed Canopy providing insect and sun protection, various Travel Bed Covers, the Travel Bed Mattress Cover fitted sheet and the Travel Bed Mobile.
