SIT ON ME SEAT PROTECTION MAT

Product Images

The perfect underlay mat to protect your car's seats against scratches and abrasions caused by your child's car seat. With integrated cut-outs for the ISOFIX connectors. This universal underlay mat can be used for all child car seats. It consists on both sides of an anti slip and textured surface. This surface prevents the back and forth movement of your child's car seat and therefore increases its stability and safety. Furthermore, Sit on Me protects the seats in your car from scratches and abrasions caused by the child's car seat. Perfect use in vehicles with leather or textile equipment. Washable. The integrated cut-outs for the ISOFIX connectors make this mat also suitable for all seats and vehicles with ISOFIX. It is also a practical seat cover for when your little offspring travels in a rear-facing car seat. The underlay mat consists of two independent parts that can be used individually - perfect also for baby car seats.
