Perfect Protection & More Organisation – 2-in-1 Car Seat Protector for Families

Make your car everyday-friendly! This **practical 2-in-1 car seat protector** shields the front seat's backrest from dirty children's shoes while also offering **extra storage space**. Perfect for families who value cleanliness and organisation on the go.

Thanks to its **universal size (38 x 59 cm)**, the backseat protector fits almost any vehicle – whether a small car or a large family car. Easily attached with an adjustable strap and an elastic band, the kick mat stays secure and slip-resistant.

The **clever storage solution** with multiple pockets and a cup holder ensures that toys, books, snacks, and drinks are always within reach – for a relaxed journey with your child.

Made from **durable, water-repellent material**, the seat protector is particularly easy to maintain: Simply wipe it down, and your car stays clean and tidy.

Get your practical backrest protector now and enjoy more comfort, protection, and organisation on every journey!
