

ROOT 1

ORGANIZE ME
ORGANIZER FOR CARS

Product Images

This flexible organizer fits perfectly between two car seats on the back seat of your car, SUV or mini-van and offers space for everything you need on your trips. Up to 6 flexible compartments, 2 cup holders as well as mesh pockets keep all your essentials safe. Thanks to the practical carrying handle your Organize Me will always be where you are - even outside the car. The anti slip Organizer is made of water-repellent and tough material. For a secure hold on the back seat of your car, the Organizer can be attached to the seat belt of your vehicle. Material: 100% polyester, can be cleaned.
