

REFRESH ME  
INSULATING BOTTLE BAG

ROOT 1

REFRESH ME  
INSULATING BOTTLE BAG

Product Images

The perfect bottle case for on the go. The double-thick insulation keeps drinks and glasses cold or warm for a longer time - even in extreme temperatures, and is large enough for a big baby bottle, a cup or a "whole meal in a glass." The Refresh Me has a small mesh pocket as well as a high-quality zipper. It attaches easily to any stroller or buggy.
