Practical pushchair hooks – Small, strong, and always handy!

Universal use

The hauck pushchair hooks are perfect for securing handbags, changing bags, or shopping bags to your pram or pushchair. Keep your hands free while on the go!

Small but strong

Despite their compact size, the hooks can hold up to 4 kg – ideal for carrying heavier bags with ease.

Easy to attach

Simply hook them onto the pushchair handle and you're ready to go. Quick, convenient, and perfect for every outing. Thanks to the 360° rotating function, you can attach bags in any position without them slipping or twisting.

Perfect for outings

Whether you're walking or shopping, these lightweight hauck hooks make life with a child easier. Practical, portable, and always ready to use!
