

HANDLE ME 1
COVER FOR PUSHCHAIR HANDLEBAR

- Griffüberzug für Kinderwagen
- Einfache Befestigung durch Klettverschluss
- Ideal bei abgenutzten Kinderwagengriffen
- Stretchmaterial für flexible Passform

HANDLE PADS

The perfect replacement for damaged and cracked handles on your stroller. These two handle pads made of soft neoprene material are extremely durable and can be easily pulled over the damaged handles.

UNIVERSAL HANDLE PADS

Due to the Handle Me 1's very stretchy material, these pads fit almost any stroller handles. Fastening with Velcro. These pads are each 12 cm long and have a straight form, but can be bent. A total of 2 pieces per package. Washable.

Comfortable protection for your pushchair handles

Universal fit

Measuring 12 x 5.5 cm, these handle covers fit almost any pram or pushchair. Perfect for covering worn handles and giving them a fresh look.

Super soft and pleasant

The high-quality neoprene feels extra soft, offering maximum comfort when pushing – even on long walks.

Quick to attach, perfectly fitted

With a practical hook-and-loop fastener, the covers are easily attached. The stretchable material adapts perfectly to your handle's shape.

Durable for everyday use

The robust neoprene withstands daily wear and tear, keeping your handles protected for longer.

Easy to clean

Handles dirty? No worries! The covers are machine washable at 30 °C and ready to use again in no time. Practical, clean, and long-lasting!
