Comfortable bike trailer padding for Dryk Duo, Dryk Duo Plus and Bike N Walk Duo

Safe and comfortable out and about, even on long bike rides

Can your child sit already, but still needs a little support? Then the Bike Trailer Comfort Seat is the perfect addition to your bike trailer. The sides and the extra padding in the head and back area not only offer your child additional comfort but also stability. Thanks to the soft padding, they are comfy even on longer rides.

Easy to use thanks to sophisticated design

The seat reducer is quick and easy to attached to the child trailer using the 5-point harness – your child is always safely strapped in. Thanks to the hard-wearing and durable material, you can use the seat cushion for many years.

Universal fit ideal for hauck bike trailers

Do you have twins or do you often take another child of the same age with you? No problem! Two seat reducers fit side by side in the hauck Dryk Duo, Dryk Duo Plus and Bike N Walk Duo bike trailers. The seat insert is also suitable for similar bike trailer models.
