Pushchair Hooks - Sturdy, modern pram hooks

Robust quality – fits on all prams, buggies and bicycle trailers

The set of 2 carabiners has space for a nappy bag, backpack or handbag. Always have your important items handy – nappies, pacifiers, drinks and a mobile phone. The bag holders are modern, stylish and made to the highest standards. They consist of sturdy metal carabiners and a fake leather loop.

Easy to use

The adjustable Velcro fastener makes the carabiner quick and easy to attach to the pram – hang or remove your bag with one click. Fancy doing a bit of shopping after seeing the paediatrician? The fastening hooks will keep your bag of groceries securely attached to the pram. By pushing the weight instead of carrying it, everyday activities with your baby become easier and you have your hands free for your child. Remember: by making sure the weight is evenly distributed, the pram won't tip over and you can avoid any mishaps.

Versatile use on your excursions

Whether it's a weekend trip, a picnic hike or a spontaneous city trip, these hooks cleverly distribute all kinds of loads. Or attach the carabiners to granny's walker or wheelchair to carry their bags or jackets.
