**Always the perfect height.**

Whether having a leisurely dinner or a cappuccino, the Alpha+ highchair and matching baby lounger attachment ensure that you and your baby are on the same level – at the comfort of the kitchen table.

A bigger child needs a lower highchair. The adjustable seat plate and foot plate allow the chair to be tailored to your child as they grow.

**Adjustable and secure.**

Does your baby move a lot? Thanks to the easy-to-adjust, grow-along 5-point belt even active babies are safe and secure. For a change of view, you can adjust the backrest with one hand.

The newborn attachment supports and protects your baby's delicate head. The cuddly breathable cotton cover is extra gentle against your baby's skin, whatever the season.

**Everything included.**

Everything your child needs is included. Newborn attachment, crotch belt, 5-point harness and front bar ensure safety and make for relaxed mealtimes.

The Alpha+ is particularly resistant to toppling. Even if your child pushes away from the table, the chair slides gently backwards thanks to the gliders and remains standing.

Seat reducers or a soft seat pad provide your child with extra comfort. Keep everything in order with the storage boxes. The food tray and games board with beautiful wooden toy are the perfect addition.
