STORAGE BOX WITH LID FOR HAUCK WOODEN HIGHCHAIRS

ADDITIONAL STORAGE SPACE ON THE HIGHCHAIR

/

**EASILY ATTACHES TO THE ALPHA+, BETA+ AND
ARKETA**

/

EASILY ACCESSIBLE AND VERSATILE

EVERYTHING WITHIN REACH

EVERYTHING AT HAND ON THE HIGHCHAIR

This practical box with lid adds additional storage space for baby's things, which can be quickly reached on your hauck wooden highchair Alpha+ or Arketa+.

PLENTY OF STORAGE SPACE FOR INDIVIDUAL USE

Thanks to the box's practical height, your child's bibs, cutlery or toys are within easy reach. You don't have to get again and it holds up to 6.6 lbs.

EASY TO ATTACH TO HAUCK WOODEN HIGHCHAIRS

The storage box is easy to hang on the lower backrest of your adjustable hauck wooden highchair without tools.

EASILY ACCESSIBLE WHILE EATING AND PLAYING

Thanks to the practical height of the highchair, your child can also easily reach the box and take out their bibs or drawing materials on their own.

COMFORTABLE TO CARRY THANKS TO PRACTICAL OPENING

EASY TO CARRY THANKS TO THE PRACTICAL OPENING

The practical opening in the front section makes the storage box easy to carry – take it with you into the living room or children's room to continue your handicraft lesson there.

COMPATIBLE WITH HIGHCHAIR ACCESSORIES

Thanks to the practical shape of the organizer you can use it with the newborn attachment, seat reducer, seat pad and tray for the wooden highchairs, so you always have storage space.

EASY TO CLEAN

THANKS TO SMOOTH SURFACE

HASSLE-FREE CLEANING THANKS
TO THE SMOOTH SURFACE

The smooth surface of the storage box is easy to clean and care for.

Highchair Box S – Storage box with lid for hauck wooden highchairs

Extra storage space on your hauck highchair

This practical box with lid adds additional storage space on your hauck wooden highchair Alpha+ or Arketa+, allowing you to quickly reach bibs, your kids cutlery or toys. The organizing box holds up to 6.6 lbs and, thanks to the practical height, even your child can easily reach it from the highchair.

Easy to install

The box easily clicks on the lower backrest bracket of the hauck grow-along chair – no tools needed. Thanks to the practical opening in the front section you can take the storage box with you anywhere - for example from the kitchen to the dining room.

Compatible with other accessories

The shape of the box is perfectly matched to the hauck wooden highchairs. This way, you can also use it together with other accessories such as the newborn bouncers, seat reducers, seat pads, food tray or play tray.

Easy to clean

The smooth plastic surface of the storage box can be wiped clean at all times, perfect for everyday use with children.
