

ERGONOMIC BACKREST FOR STABLE SUPPORT

/

PERFECTLY ADAPTS TO YOUR BABY

/

EASY TO INSTALL, NO TOOLS NEEDED

MEALS TOGETHER
FROM THE VERY START

IN THE HIGHCHAIR FROM 6 MONTHS

Shared meals right from the start: With the Highchair Baby Seat, it's possible as soon as baby can sit on their own. It's the perfect addition to your hauck Alpha+, Beta+ or Arketa wooden highchair.

HELPS BABY SIT PROPERLY

Your baby is unique, and so is their body. Just like the hauck Highchair Baby Seat with its innovative width adjustment that grows with your child. You can adjust the safety bar precisely to your baby.

**GROW-ALONG WIDTH
ADJUSTMENT**

COMFORT & SAFETY
**ERGONOMIC BACKREST FOR
STABLE SUPPORT**

ERGONOMIC BACKREST FOR
STABLE SUPPORT

Stable support for your baby is important while they are still learning to sit. The high, ergonomic backrest of the Highchair Baby Seat supports your baby, as does the adjustable safety bar.

EASY TO INSTALL, NO TOOLS NEEDED

The Highchair Baby Seat makes it easy for you. It's easy to attach it to your hauck highchair without any tools.

EASY TO INSTALL WITHOUT TOOLS

COMPATIBLE WITH 5-POINT HARNESS

COMPATIBLE WITH THE 5-POINT HARNESS

hauck wooden highchairs are all equipped with a 5-point harness, which is also used with the Highchair Baby Seat. It keeps your baby well secured at any age.
