**BOUNCING IN SAFETY**

/

**FROM THE HIGH CHAIR TO THE BOUNCER IN A  
JIFFY**

**ON THE SAME LEVEL AS YOUR  
BABY FROM DAY ONE**

Whether you're having a leisurely dinner or a quick cappuccino, the Alpha Bouncer Premium allows your baby to join you at the table. The perfect companion for the Alpha+ and Beta+ highchairs.

**ALWAYS THE PERFECT SIZE AND  
ALWAYS SECURE**

Does your baby move a lot? Our newborn attachment will keep them safe and secure. The 5-point belt is easy to adjust, meaning it will gradually grow with your child. Perfect even for active babies.

**ADJUSTABLE 5-POINT HARNESS  
OFFERS OPTIMUM SAFETY**

REMOVABLE SEAT INSERT  
**WITH EXTRA PADDING**

**EXTRA PADDING IN HEAD AREA**

Your newborn baby's head is a delicate thing. The padded newborn attachment provides comfort and stability. It can be removed once your child gets bigger.

## FROM THE HIGH CHAIR TO THE BOUNCER IN A JIFFY

Does your little one love to move? With the bouncer frame, your baby can bounce by your side. The click system allows the attachment to be easily moved from the highchair to the frame.

**BOUNCER FRAME INCLUDED**  
FOR BOUNCING FUN AT YOUR SIDE

## ADJUSTABLE BACKREST FOR MAXIMUM COMFORT

Babies are curious! With the adjustable backrest, you can sit your baby up straight so that they can see exactly what's going on. You can then lay it flat when it's time for the baby to relax.

## SOFT AND CUDDLY FEEL-GOOD FABRICS

The cuddly breathable cotton cover is extra gentle against your baby's skin. Easy to remove and washable at 30 degrees, It ensures that your little one will feel comfortable, whatever the season.

**SOFT AND CUDDLY**  
COTTON JERSEY

## GENTLY BOUNCE OR ROCK

For babies, gentle bouncing imitates the movements in the womb and thus helps them to relax. For added fun, you can fold up the feet of the bouncer to allow the baby to rock back and forth.

## Lifestyle Images

### **On the same level from day one**

Whether you're having a leisurely dinner or a cappuccino, the Alpha Bouncer Premium allows your newborn to join you at the table. The perfect companion for the Alpha+ and Beta+ highchairs.

Does your baby move a lot? Our newborn attachment ensures their safety. The 5-point harness is adjustable and grows with your baby. Perfect for even the most active babies.

Your baby's head is very delicate. The padded newborn insert provides comfort and stability and can be removed once your child gets bigger.

### **From highchair to bouncer in seconds**

Does your little one love to move? With the bouncer frame, your baby can bounce by your side. Thanks to the click system you can easily switch from the highchair to the frame at all times.

Babies are curious! With the adjustable backrest, you can sit your baby up straight so that they can see what's happening. When it's time to relax, you can lay it flat again.

For babies, gentle bouncing mimics the womb environment, aiding relaxation. The feet of the bouncer can also be folded up to allow the baby to rock.

### **Cuddly fabrics**

The soft, breathable cotton cover is extra gentle against your baby's skin, ensuring your little one's comfort, whatever the season.
