**PRACTICAL HANDLING IN YOUR EVERYDAY BABY
LIFE**

PRACTICAL BABY SEAT
FOR BABY BATHTUBS

**PRACTICAL BABY SEAT FOR BABY
BATHTUBS**

The baby seat helps you bath your baby from birth up to 9 kg or up to when they can sit unaided. You can use the seat as accessory to baby bathtubs such as the hauck Wash N Fold.

**ERGONOMIC SHAPE SUPPORTS YOU
AND YOUR BABY**

The ergonomic shape helps you safely hold your baby. The soft and comfy surface adapts to your baby's body shape and allows you more freedom of movement.

ERGONOMIC SHAPE
SUPPORTS YOUR BABY

**SAFE THANKS TO SLIP-RESISTANT
MATERIALS**

The slip-resistant, silicon-like surface is kind to your baby's skin and offers them additional support during your bath times.

PLEASANT WARM BATHING

Thanks to the holes in the surface, your baby comfortably lies in the warm bathing water at all times.

PRACTICAL TO HANDLE IN YOUR BABY'S EVERYDAY LIFE

FAST DRYING AND SIMPLE CLEANING

The water can easily drain through the holes of the soft, silicon-like surface, allowing the baby seat to dry fast. The seat can be cleaned with traditional cleaning agents.

FLAT FOLDING AND EASY STORAGE

The baby seat comes in a practical size. For an easier storage or transport, the feet can be folded in, making the seat very flat and space-saving.
