

ALPHA PLAY MOVING SET
PLAY TRAY WITH BEAD MAZE FOR THE ALPHA+

PERFECT FOR PLAYING AND LEARNING

/

EASY CLICK INSTALLATION ON THE HIGHCHAIR

/

CAN BE COMBINED WITH A 2ND TOY

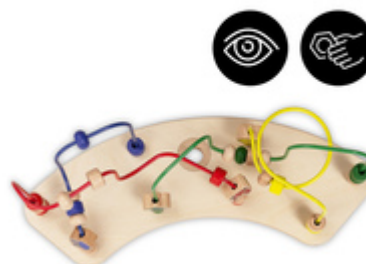

GREAT PLAY AND LEARNING SET FOR YOUR HIGHCHAIR

This set of play tray and motor loop allows you to use your Alpha+ or Beta+ even more flexibly, keeping your child entertained while doing chores.

TRAINS THE HAND-EYE COORDINATION

By moving the elements around, your child trains logical thinking, recognition of colours and shapes as well as the coordination between visual perception and fine motor skills.

BEAD MAZE TRAINS THE HAND-EYE COORDINATION

CAN BE COMBINED WITH A 2ND TOY

The play tray can be combined with up to two hauck toy attachments that can be bought and individually switched, allowing your child to train different skills at the same time.

EASY CLICK INSTALLATION ON THE HIGHCHAIR

The play tray is clicked on the front bar of the wooden highchair in no time and removed just as easily.

QUICK AND STABLE ATTACHMENT OF THE TOYS

The wooden toys can be fixed to the play tray with a wooden screw, preventing them to slip.

SAFE SEATING THANKS TO COMPATIBILITY WITH HARNESS

In order for your child to sit safely even while playing, you can use the play together with the highchair harness.

SAFE SEATING THANKS TO COMPATIBILITY WITH HIGHCHAIR HARNESS

TOY ATTACHMENT MADE FROM SUSTAINABLE WOOD

The toy is made of durable wood that derives from FSC®-certified forests. This guarantees a sustainable and ecological forest use that protects plants and animals.

PLAY TRAY MADE OF RECYCLED MATERIAL

The highchair tray is made of recycled, GRS-certified material that stands for clear social, ecological and chemical production regulations.

SUSTAINABLE GRS CERTIFIED

EASY TO CLEAN

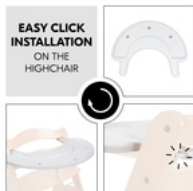

EASY CLEANING THANKS TO SMOOTH SURFACE

The smooth surface of the play tray can be wiped clean with a cloth and traditional cleaning agents and is ready for use again in the blink of an eye.

Alpha Play Moving Set - Play tray with bead maze for the Alpha+

Play and learning set for your highchair

This set of play tray and motor loop allows you to use your Alpha+ or Beta+ even more flexibly, keeping your child entertained while doing chores. By moving the elements around, your child trains logical thinking, recognition of colours and shapes as well as the coordination between visual perception and fine motor skills.

Can be combined with a 2nd toy

The play board can be combined with up to two hauck toy attachments that can be bought and individually switched, allowing your child to train different skills at the same time.

Quick, stable and safe to use

The play tray is clicked on the front bar of the wooden highchair in no time and removed just as easily. The wooden toys can be fixed to the play tray with a wooden screw, preventing them to slip. In order for your child to sit safely even while playing, you can use the play together with the highchair harness. Suitable from 12 months onward.

Sustainable materials

The easy-to-wipe highchair tray is made of recycled, GRS-certified material, while the toy is made of durable wood that derives from FSC®-certified forests.
