CAN BE COMBINED WITH A 2ND TOY

GREAT ADDITION TO YOUR HAUCK HIGHCHAIR

With this shape sorter, you can complement your Play Tray on the Alpha+, Beta+ or Arketa highchair with one more toy, offering your child the opportunity to train various skills.

CAN BE COMBINED WITH A 2ND TOY

The play tray can be individually combined with up to two hauck play attachments (e.g. bead maze or music toy) that can be bought separately.

SORTING TOY TRAINS THE HAND-EYE COORDINATION

TRAINS THE HAND-EYE COORDINATION

By sliding the elements around, your child trains logical thinking, the coordination between visual perception and fine motor skills as well as the recognition of colours and shapes.

QUICK AND STABLE ATTACHMENT TO THE PLAY TRAY

The shape sorter can be attached to your play tray with the wooden screw provided, preventing it from falling on the floor while playing.

TOY MADE OF SUSTAINABLE WOOD

The play tray is made of durable wood that derives from FSC®-certified forests to guarantee a sustainable and ecological forest use to protect the environment.

TOY CAN ALSO BE USED WITHOUT THE TRAY

Alternatively, you can use the activity toy without the play tray and take it with you to friends or on holiday. It also makes an ideal gift for girls and boys from 18 months onward.

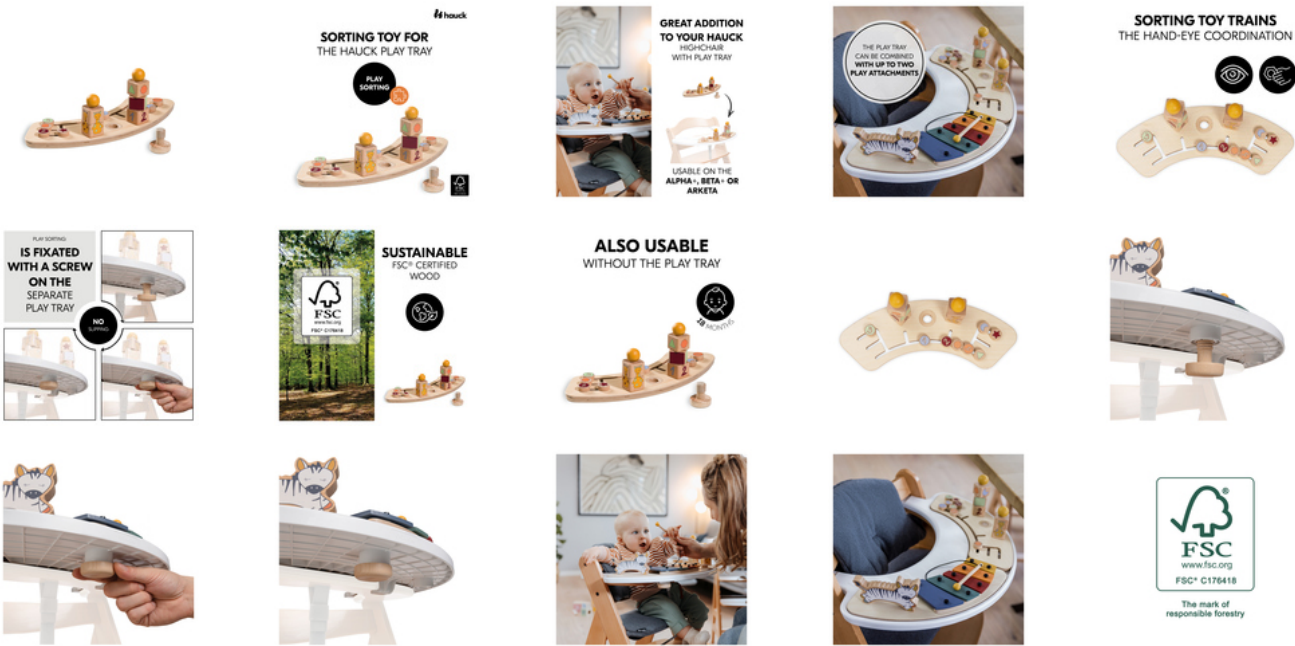

ALSO USABLE WITHOUT THE PLAY TRAY
