MOTOR SKILLS TOY
PROVIDES LOTS OF FUN

CHEERFUL BEAR

Does your child love teddy bears? Then the cute wooden bear from hauck's animal world will make a great playmate. Elastic bands in his body let him move. This trains the child's motor skills – and is lots of fun for them.

PERFECT FOR THE HIGHCHAIR

Do you want to get things done, but keep an eye on your child at the same time? This perfect addition to your Alpha+, Beta+ or Arketa highchair Play Tray will keep your child busy when playing on their own.

EVERYTHING IS WELL-ATTACHED

Fixed to the highchair, with no loose parts: the figures are held on using elastic bands. You simply screw the game to your highchair's Play Tray. This means nothing can fall off.

WITH OR WITHOUT A PLAY TRAY

Whether in the highchair or on the floor: with the Play Shaking S, your child can play anywhere. Because it works just as well with or without the hauck Play Tray.

ALSO INDIVIDUALLY USABLE WITHOUT A PLAY TRAY

SUSTAINABLE
FSC®-CERTIFIED
WOOD

GOOD FOR NATURE

Do you love nature? So do we. That's why our Play Shaking S is made of sustainable, FSC®-certified wood. You can count on that!

UP TO THREE TOYS POSSIBLE

The play tray can be individually combined with up to three play attachments that can be bought separately. Either 1 small and 1 large or 3 small ones.
