MOTOR SKILLS TOY
PROVIDES LOTS OF FUN

FASCINATING AND EDUCATIONAL
AT THE SAME TIME

Does your child love technology? Your little darling can make new combinations using the gears and nuts of the Play Repairing S technical toy again and again. This is fascinating for your child – and trains dexterity and fine motor skills.

HOURS OF FUN

Guaranteed hours of fun: the Play Repairing S offers endless possibilities for play and making combinations – from very simple to more complex. For infants and slightly older children.

**GREAT
ADDITION**
TO YOUR HAUCK
HIGHCHAIR

WITH THE PLAY TRAY
USABLE ON THE
ALPHA+, BETA+ & ARKETA
HIGHCHAIR

PERFECT FOR THE HIGHCHAIR

Do you want to get things done, but keep an eye on your child at the same time? This perfect addition to your Alpha+, Beta+ or Arketa highchair Play Tray will keep your child busy when playing on their own.

EASY TO ATTACH

A wooden screw is all it takes: it's easy to screw the Play Repairing S to the Play Tray of your hauck highchair. This ensures the toy is securely fastened onto the highchair and can easily be removed again.

ANY EXTENDABLE

CAN BE SUPPLEMENTED AS DESIRED

Does your child need more gears, nuts or accessories? You can supplement the Play Repairing S with the Learn N Repair Set from the hauck Toys Collection.

WITH OR WITHOUT A PLAY TRAY

Whether in the highchair or on the floor: with the Play Repairing S, your child can play anywhere. Because it works just as well with or without the hauck Play Tray.

ALSO INDIVIDUALLY USABLE WITHOUT A PLAY TRAY

GOOD FOR NATURE

Do you love nature? So do we. That's why our Play Repairing S is made of sustainable, FSC®-certified wood. You can count on that!

UP TO THREE TOYS POSSIBLE

The play tray can be individually combined with up to three play attachments that can be bought separately. Either 1 small and 1 large or 3 small ones.

UP TO THREE ATTACHMENTS CAN BE COMBINED

Fascinating and educational

Your little darling can make new combinations using the gears and nuts again and again. It's fascinating – and trains dexterity and fine motor skills.

Hours of fun

The Play Repairing S offers endless possibilities for play and making combinations – from very simple to more complex. For infants and slightly older children.

Perfect for the highchair

Do you want to get things done while also keeping an eye on your child at the same time? This perfect addition to your Alpha+, Beta+ or Arketa highchair Play Tray will keep your child busy when playing on their own.

Easy to attach

A wooden screw is all it takes: it's easy to screw the Play Repairing S to the Play Tray of your hauck highchair. This ensures the toy is securely fastened onto the highchair and can easily be removed again.

Can be supplemented as desired

Does your child need more gears, nuts or accessories? You can supplement the Play Repairing S with the Learn N Repair Set from the hauck Toys Collection.

With or without a Play Tray

Whether in the highchair or on the floor: with the Play Repairing S, your child can play anywhere. Because it works just as well with or without the hauck Play Tray.

Good for nature

Do you love nature? So do we. That's why our Play Repairing S is made of sustainable, FSC®-certified wood. You can count on that!
