HIGHCHAIR PLAY BOARD

ACTIVITY BOARD FOR HAUCK WOODEN HIGHCHAIRS

FUN AND LEARNING IN ONE

For little explorers: cogwheels, mirrors, blackboard and bead maze. The Highchair Play Board keeps your child busy for hours and sharpens their senses through play.

EXPAND YOUR HAUCK HIGHCHAIR FAMILY

Multifunctional: use your sturdy Alpha+, Beta+ or Arketa highchair as the frame for the bead maze. This saves space and the toy is ready for play.

EXPAND YOUR HAUCK HIGHCHAIR FAMILY

QUICKLY ATTACHED

To attach: simply attach the Highchair Play Board quickly and easily to your wooden highchair with the hook and loop fasteners – so that you have more time for the important things.

MORE FUN TOGETHER!

A Play Board for everyone: the motor skills board is a fun toy for one, two or more children from 10 months upwards to play with. Turning, pushing, colouring and discovering is even more fun!

A PLAY BOARD FOR EVERYONE WHETHER ONE, TWO OR MORE CHILDREN

GOOD FOR NATURE - MADE FROM FSC® CERTIFIED WOOD

Is sustainability important to you? For us, too. We manufacture the Activity Board from high-quality FSC®-certified wood. This guarantees sustainable forest use and protects animals and plants.

FITS MANY OTHER ACCESSORIES

Perfect combination: combine the highchair Play Board with other hauck accessories for your wooden highchair. Seat reducer, seat cushion, tray or play board - it all fits!

COMPATIBLE WITH MANY OTHER ACCESSORIES

Activity board for hauck wooden highchairs

Great fun and a source of learning

For little explorers: cogwheels, mirrors, blackboard and bead maze. The Highchair Play Board keeps your child busy for hours and sharpens their senses through play.

Expand your hauck highchair family

Multifunctional: use your sturdy Alpha+, Beta+ or Arketa highchair as the frame for the bead maze. This saves space and the toy is ready for play.

Quickly attached

The Highchair Play Board is quick and easy to attach with the hook and loop fasteners, leaving you more time for the important things.

More fun together!

A Play Board for everyone: the motor skills board is a fun toy for one, two or more children from 10 months upwards to play with. Turning, pushing, colouring and discovering is even more fun!

Good for nature - made from FSC® certified wood

Is sustainability important to you? For us, too. We manufacture the sensory wooden board from high-quality FSC®-certified wood. This guarantees sustainable forest use and protects animals and plants.

Fits many other accessories

Perfect combination: combine the highchair Play Board with other hauck accessories for your wooden highchair. Seat reducer, seat cushion, tray or play board - it all fits!
