STIMULATION FOR THE SENSES

ALWAYS SOMETHING TO DISCOVER

Whether they are lying, sitting or crawling, your clever child will always discover something new on the Relax N Watch play mat. The quilt with toy arch is fun right from birth.

SIGHTS, SOUNDS AND TEXTURES FOR THE SENSES

A glance in the mirror will turn the head of any baby – a great game to stimulate your baby's vision. The arch has animals that make funny noises – great for baby's hearing!

STIMULI FOR THE SENSES ON 95 CM Ø

RUSTLING SURPRISES

Fabric mussels embroidered onto the play quilt allow toy animals to be hidden to surprise your baby. Babies will also love the seaweed that makes rustling sounds.

LITTLE ANIMAL PLAYMATES

The squeaky crab, the rattling jellyfish, the embroidered mussel and the tortoise with the mirror – All of the cute animals on the toy arch make great playmates.

ANIMALS AS SMALL PLAYMATES

EVER NEW GAME WORLDS

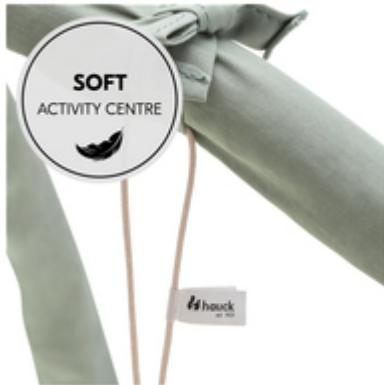

EVER-CHANGING PLAY WORLDS

Each of these toys can be removed and interchanged so that the toy arch will always provide your baby with variety. This means your child will always have a new play world to discover.

RELAXING PLAYTIME FOR YOUR BABY – AND YOU

The Relax N Watch play quilt and toy arch will keep even the most inquisitive of babies engrossed, leaving you free to enjoy a coffee. So you can both relax together.

SOFT TOY ARCH

The toy arch is made from fibreglass with a foam covering. So your baby is in the best of hands.

WASHABLE AT 30 DEGREES

Is your play mat showing signs of dirt? Simply throw it in the washing machine at 30° C. The easy-to-clean cotton fabric is ultra-durable.
