SHAPE SORTER PROMOTES THE
HAND-EYE COORDINATION

SHAPE SORTER PROMOTES
HAND-EYE COORDINATION

By playfully finding out which shape fits into which opening, your child trains the coordination between visual perception and fine motor skills.

SUSTAINABLE TOY MADE OF FSC®-
CERTIFIED WOOD

The toy is made of wood that derives from FSC®-certified forests and is therefore fun to play with for a long time. This ensures a sustainable and ecological forestry that protects plants and animals.

The shape sorter cube contains 12 different blocks. By matching them, your child will get a better feeling for shapes and colours.

BLOCKS CAN BE STACKED ON TOP OF EACH OTHER

For more variety, your child can also stack the individual blocks on top of each other.

BLOCKS CAN ALSO BE STACKED

BLOCKS CAN BE EASILY REMOVED FROM THE CUBE

Once your child has successfully matched all the blocks, they can open the flap on the top and take the colourful blocks out again.

EASY STORAGE AND READY FOR USE AT ANY TIME

For storage, your child can open the lid of the wooden cube and store all elements inside. This way, everything is neatly stored and quickly ready for use again.
