WIDE RANGE OF POSSIBLE USES

SUPPORTS YOUR BABY
WITH THEIR FIRST STEPS

FOR THOSE FIRST STEPS

Still a bit shaky, but full of curiosity: is your baby currently learning to walk? The Learn to Walk Plants walker provides support as your child pushes it through the house and garden. And the walker can endure a lot.

BIG-TIME LITTLE GARDENERS

Soil, flowers, grass: does your child love to water flowers and dig in the soil? With a shovel, watering can, and the planting box on the Learn to Walk Plants, playing at being a gardener is a lot of fun!

SOIL, FLOWERS, GRASS

THIS GARDENING GAME IS A
REAL BLAST!

**LOTS OF
ACCESSORIES**
FOR FLOWERBED AND
POT CREATIONS

FLOWERS, LEAVES, FLOWER POTS

Flowers, flower pots, leaves and a box as a bed for digging in: in the Learn to Walk Plants, your child will find a lot of accessories for ever new creations in flowerbeds and pots. They can thus practise planting in a playful way.

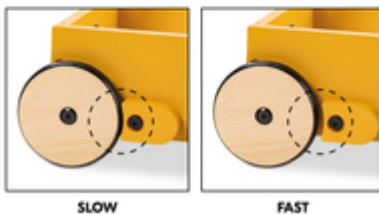

EVERYTHING TO HAND EVERY STEP OF THE WAY

Is today doll day? Are you going on a trip? The Learn to Walk Plants is a doll's pram, handcart, or whatever you want it to be. You can remove the box and then use it to store toys.

EVERYTHING TO HAND EVERY STEP OF THE WAY

SPEED CAN BE INDIVIDUALLY ADJUSTED

AT THE RIGHT PACE

Does your little darling take little steps? Then curtail the speed by tightening the side brakes. Once your baby is walking with a little more assurance, you can adjust the brakes again.

A PLUS FOR THE ENVIRONMENT: FSC®-CERTIFIED WOOD

The push car is made of durable wood that comes from FSC-certified forests. This guarantees sustainable and ecological utilisation of forest land that protects plants and animals.
